Dear Firebaugh Firefighters,

On behalf of the Dos Palos-Oro Loma Joint Unified School District Board of Trustees, I wanted to extend our sincere and heartfelt appreciation for the outstanding efforts by your agency's firefighters in battling two fires at our Oro Loma School property on the nights of July 31 and August 7, 2016. As you can imagine, these fires have been an unwelcome and discouraging development for our district and community, but we are grateful for all of the heroic efforts to save structures at the site amid sizable, fast moving fires, and wind and water conditions that made suppression difficult. We were also impressed with the high-level cooperation between the agencies involved, and know that went a long way to contain the potential damage and destruction of these fires.

As you may be aware, we have taken a number of steps to ensure the security of the property in the wake of these wanton and destructive fires. We stand ready to undertake any measures that we need to in order to maintain the safety of the property and buildings. We are hopeful that the perpetrators of these fires are ultimately apprehended and brought to justice.

Thanks again for all your efforts.

Sincerely,

William Spalding
Superintendent of Schools
