STAFF REPORTS

- **Police Chief Sal Raygoza** – Staff is doing a good job, crime is low. Officer Frias starts September 22, 2018, two dispatchers are in training, will have an Officer go to training to ride the motorcycle, applying for a grant to purchase a new electric vehicle which will replace the truck. Received positive comments regarding the officer at the school, will apply for grant to pay for the officer to continue the services and to enforce juvenile smoke prevention, if a juvenile is caught they may be cited. Code Enforcement is making a difference, community looks safer. Council Member Valdez inquired what are we doing as far as educating the youth and preventing them from smoking instead of citing them and have them get a record.
- **Finance Director, Pio Martin** – Auditor started the audit today, they will be in & out of the office. Learned a little bit at the Conference I attended, some of the disappointing information is City really can't change contracts, among other things and will have to look at other ways to fund CalPERS. There will be some changes in the office in the future.
- **Deputy City Clerk, Rita Lozano** – Working on Workers Comp claim, Liability Claim, Assisted consultants with various items and issues. Worked on agenda for Council meeting, Planning meeting agenda, minutes for both, published public hearing notices and notified residents within three hundred feet of each project. Worked on grants and review RFP's, working on DMV records, we still receive records on employees that have retired, left or even been deceased, so trying to clean-up the records. Worked on HR items for new employees, responded to Public Records Act request. We were short staff this past week so helped cover the finance department with the front desk duties, payments, calls, as well as assist Public Works Department with reports on water bills for customers inquiring about their water usage. Any Council Members, who plan on attending the Fresno Fair, the City of Firebaugh's Day of the Race is Sunday, October 7, 2018 I must RSVP by September 26 with names and titles of the staff member that are attending, post time is 1:15 pm, so report by 12:30 p.m. I have been researching easements, it's a difficult task and will take time to find records, and I will research how to re-name the airport per council's request.

- **Council Member Sablan** – look at Ethics training dates, it may be expiring soon. We are pretty much doing everything that we should be doing, City of LA just passed a tax on cannabis.
- **City Attorney Meggin Boranian** – working on purchase/sales agreement for the courthouse, asked Deputy Clerk to research and report date of last training.
- **City Manager Ben Gallegos** – City Manager added the County inquired about the courthouse agreement. The 15-CDBG grant is to be terminated on the 30th of September so the Senior Center must be completed, Paul Ashby is working with the contractor to meet the deadline. Purchased 150 recycling containers from Lowe's, some will go to the school. Thursday, September 10th will be a press conference regarding Friant Da. Council Member Sablan asked City Manager to give an update on the lobby meeting at the conference. Lobby services were offered for a cost of \$4,500, by the services are not needed. Goal is to be on the award given at conference next year.
- **Council Member Valdez** – Echoed the same, City Council and staff have been doing the services ourselves. Other training at League of Cities were positive in the social media and will contact Claudia to discuss, cannabis, bargaining negotiations, improving outreach to all groups in our community and I would like to implement some things.
- **Council Member Lopez** – Some of the sidewalks are being obstructed but trees and bushes in several areas throughout town and blocking view of traffic, can staff cut them back to clear those areas.
- **Council Member Jenkins** – Keep the roads painted, can we paint in front of the schools or add crosswalks? City Manager replied City just can't paint a crosswalk, it would also require a curb and ADA ramp to be installed at each crosswalk. Police Chief has place an Officer at the Bailey site and it helps but parents revert back to their bad habits if no officer is present.

Re: Staff Report

MONTHLY CRIME ANALYSIS:

Officers and Dispatchers continue to work hard as shown on stats page trying to keep the crime rate down.

I have noticed an increase in vehicle accidents, narcotic arrests and driving under the influence of alcohol arrest over the last few months. Officers are finding more people in possession of methamphetamines and cocaine during contacts. Officers continue to investigate and follow-up on narcotic case for possible search warrants going after the drug dealers.

Officers have been investigating more hit and run accidents over the last few months compared to a year ago. I noticed that half of our vehicle accidents involve someone being arrested for being under the influence of alcohol. I suspect that some of hit and run accidents involve alcohol or unlicensed driver. I am looking at assigning an officer on certain days to work on DUI saturation and hopefully decrease some of vehicle accidents and hit and run accidents we been having.

Our violent crime and property crimes rate is stable with no major increase or decrease. I credit the low crime rate in this areas, due to the hard work of every member of the Firebaugh Police Department and citizens in our community reporting all suspicious activity.

During the month of August 2018 a total of 102 police reports were written, which can be classified as crime reports, incident reports, and traffic accidents. The majority of reports taken by this department are incident reports and non-criminal. Officers issued 56 traffic citations and investigated 9 traffic accidents during the month.

The month of August our dispatch center was busy with 272 phone calls requesting police services in our city and dispatchers were also busy on the radio with 869 self-initiated calls by officers. The busy days for our dispatch center during the last three months were Wednesday and Thursday. The stats are just for the City of Firebaugh and does not include all the telephone calls and radio traffic for the City of Mendota.

SIGNIFICANT CASES:

On August 12, 2018, Officers stopped a blue Dodge Charger for tinted windows. The driver was arrested for driving on a suspended license and a large amount of Methamphetamines, Heroin and Cocaine. Subject who is out of Fowler was booked for possession of narcotics with intent to sale.

On August 16, 2018, Officers responded to a traffic accident where a vehicle had crashed and landed in a Canal on the 2000 block of N Street. Officers located a vehicle to be flipped over on its roof and near the canal bank and saw two (2) adult men walking away from the wreckage. The subjects were detained and driver was identified. Driver was arrested for the wreck and DUI.

On August 26, 2018, Officers were dispatched to Big G's towing yard in regards to a reports that someone was stealing a car from their lot. Officers found white Mitsubishi Galant pushing a black Mercedes off of the property. As officers arrived the white Mitsubishi drove off and a pursuit was initiated. The pursuit was on HWY 33, through the city of Dos Palos and onto HWY 152 where CHP was able to spike the vehicle and get the vehicle to come to a complete stop near HWY152 and Road 10 in Madera County. Two subjects from the city of Fresno were arrested for the pursuit and auto theft.

On August 31, 2018, Officers served a search warrant for narcotics on the 1400 block of "R" Street. Lead investigator Officer Monay recovered a small amount of methamphetamines. During the search of the home, officers discovered 40 dogs living inside the house in extremely dirty conditions and some the dogs appeared sick. The home owner was also charged with felony animal cruelty. All the dogs were confiscated and put up for adoption. All the dogs were picked up by shelters from Fresno to San Francisco.

On September 13, 2018, Officer responded to report of female trying to get into homes on the 1500 block of 8th Street. The female was located and determined to be having some psychological issues. Female was transported to hospital and referred to Fresno Mental Health.

On September 17, 2018, Officers responded to report of subject who fell into canal while fishing. Officers located subjects at Delta Mendota Canal and Nees. Officers pulled subject out of water and performed CPR, subject later passed away at hospital. Cased was turned over to Fresno Sheriff since it happened within their jurisdiction.

On September 25, 2018, Officers responded to a motorcycle accident at Washoe and Nees. Officers found subject in the water and went into the water to pull him out. Officers started CPR and turned it over to EMS and Fire. The case was turned over to CHP.

PERSONNEL:

The department's personnel strength stands at 24, including 11 sworn officers, 4 full time dispatchers, 3 part-time dispatchers and 6 reserve officers.

On Monday August 17, 2018, Officer Anthony Frias took the oath office as a full-time police officer replacing Officer Fernando Moreno who left us to take a job closer to his home in Los Angeles.

TRAINING

I attended the Madera/Fresno Chiefs Workshop in Pismo the first week in September. The training was good with lots of new information on laws.

On September 12, I had our quarterly department training for all my officers and reserve officers. We received training from the filing unit at the DA's Office, California Beverage Control and the Carmen Meza Center. I also provided staff with training on several department policies.

Officer Fernando Martinez has been attending Crisis Intervention Training at the Fresno Police Department this month. I only have three officer left and all my officers will have received 40 hours of CIT training.
