Council Member Jenkins added, "Due to the emergency response delays, I believe it became a state law, which was passed a few years ago." City Engineer Gouveia stated, "It is more up to the City, it does slow down speeding, but it also slows down emergency responders." Police Chief Raygoza informed, "Laws change & the Attorney may know more, but will adding a speed bump really slow down traffic. People complain it ruins the suspension of their cars, & others may slow down for the speed bumps but speed between them." In consideration for the parties' respective promises and obligations described below and other valuable consideration, the City and PMS agree as follows:

AGREEMENT

1. PMS shall provide, operate and maintain, and the City shall permit PMS to provide, operate and maintain, carnival rides, game booths, and food booths (collectively, the "Concessions") for the City's 2020, 2021, and 2022 Firebaugh Cantaloupe Roundup, to be held on dates determined by the City and approved by PMS, at the City's Dunkle Park as provided in this Agreement.

2. The City shall make available to PMS a mutually acceptable site in Dunkle Park for the purposes in paragraph 1. The City shall not charge PMS its normal park use permit fees or any other normal City license or permit fees otherwise applicable to provision, operation or maintenance of the Concessions. However, PMS shall obtain any other State or local licenses and permits required for operation and maintenance of the Concessions as provided in this Agreement.

3. a. Subject to paragraph 3.(b)., PMS shall pay the City the greatest of (i) 30 percent of the total gross amount received from advance sales of ride tickets, plus 30 percent of the total gross amount received from on-site sales of ride tickets during each of the 2020, 2021, and 2022 Firebaugh Cantaloupe Roundup, plus \$200.00 for each food booth and \$150.00 for each game booth operated during the 2020, 2021, and 2022 Firebaugh Cantaloupe Roundup, or (ii) the amount of \$24,000.00 (the total gross amount received by the city from the concessionaire for the 2020, 2021, and 2022 Firebaugh Cantaloupe Roundup, including reimbursement for City services). Such payment shall be deemed to include reimbursement for all City police, advertising and trash removal services provided in connection with the Concessions.

b. Payments for the 2020, 2021, and 2022 Firebaugh Cantaloupe Roundup will be calculated according to paragraph 3.a. If, at any time after completion of the 2020 Firebaugh Cantaloupe Roundup, the City determines that the total expenses incurred by the City for the last Firebaugh Cantaloupe Roundup equal or exceed the total revenues received by the City from that Firebaugh Cantaloupe Roundup, the City will notify PMS. Within 30 days after the notice, PMS and an authorized representative of the City shall meet to negotiate an increase

in the payments to be made by PMS under this Agreement. Unless the parties agree on a different increase within 30 days after first meeting (or such longer period as the parties may mutually determine), the payment amounts by PMS under paragraph 3.a. future Firebaugh Cantaloupe Roundups will be increased by the amount of the Consumer Price Index/Pacific Cities and US Average if increased, since the effective Date. The increase will be stated in writing and be deemed part of this Agreement.

All personnel employed in connection with the rides, Concessions and Food Booths shall at all times maintain a neat, clean and presentable appearance.

PMS shall have exclusive control of and full responsibility for operation and maintenance of all rides, booths and other Concessions, provided that the features and characters of all Concessions shall be reasonably satisfactory to the City. PMS shall provide, operate and maintain all the Concessions in full compliance with applicable Federal, State and local laws, codes, standards and regulations, including without limitation those relating to safety, construction and sanitation. The City shall have no liability or responsibility for, and PMS shall indemnify, hold harmless and defend the City from, any loss, cost or damage (including personal injury or death at any time) incurred by any person arising out of or in connection with (i) use, operation, maintenance or condition of any ride, booth, game or other Concessions, or (ii) the failure of PMS to comply with any applicable law, code, standard or regulation described in this paragraph.
