

Rapid Response SERVICES

Rapid Response is a proactive business-focused and flexible strategy designed to respond to layoffs and closings by quickly coordinating services to provide immediate aid to companies and their affected workers.

Our team is diligently working to respond to the needs of our businesses and employees during the Coronavirus (COVID-19) pandemic.

Please join us for a series of webinars where we have gathered representatives from various organizations to bring you information about resources and services available to support you during these uncertain times.
