INTRODUCTION

The City of Firebaugh (“City”) named itself as the successor housing entity (“Housing Successor”) on January 23, 2012 by the adoption of Resolution No. 12-02. The Housing Successor is the successor housing entity to the former Firebaugh Redevelopment Agency (“Agency”), which was dissolved by State law.

This Housing Successor Agency Annual Report (“Annual Report”) contains information on Fiscal Year (“FY”) 2019-20 finances and activities as required by Health and Safety Code (“HSC”) Section 34176.1(f), to show that the Housing Successor is in compliance. FY 2019-20 also marks the beginning of the second five-year compliance period for income proportionality. This Annual Report details how the Housing Successor has met all requirements for expenditures by income level from July 1, 2019 through June 30, 2020.

The Annual Report is due to the California Department of Housing and Community Development (“HCD”) by December 31 annually, and must be accompanied by an independent financial audit. The City’s audited financial statements will be posted on the City website when available.

HOUSING SUCCESSOR REQUIREMENTS

Senate Bill (“SB”) 341¹ and subsequent legislation enacted several requirements for housing successor agencies. Housing successors must comply with three major requirements pursuant to HSC Section 34176.1:

1. Expenditures and housing production are subject to income and age targets.
2. Housing successors may not accumulate an “excess surplus,” or a high balance based on certain thresholds.

¹ 2013-14 legislative session

3. Properties must be developed with affordable housing within five to ten years of being approved for transfer from the former redevelopment agency to the housing successor.

The requirements are designed to ensure that housing successors are actively utilizing former Agency housing assets to produce affordable housing. Appendix 1 provides a detailed summary of the reporting requirements that are addressed in this Annual Report.

ASSETS TRANSFERRED TO HOUSING SUCCESSOR

Upon the statewide dissolution of redevelopment in 2012, all rights, powers, committed assets, liabilities, duties, and obligations associated with the housing activities of the Agency were transferred to the Housing Successor. The Housing Successor prepared a Housing Asset Transfer Form (“HAT”) that provided an inventory of all housing assets transferred from the Agency to the Housing Successor. In Firebaugh this included:

1. Real properties;
2. Loans and grants receivable; and
3. Rent Income.

All items on the HAT were approved by the California Department of Finance (“DOF”) on September 5, 2012. A copy of the HAT is provided as Appendix 2.

HOUSING ASSET FUND ACTIVITY

Former Agency assets, and the revenues generated by those assets, are maintained in the Housing Successor’s Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”).² Housing Asset Funds may be spent on:

² The Housing Asset Fund replaced the former Agency’s Low and Moderate Income Housing Fund.

- **Administrative costs** up to \$200,000 per year adjusted for inflation, or 5% of the statutory value of real property owned by the Housing Successor and the value of loans and grants receivable from the HAT (“Portfolio”), whichever is greater. 5% of the Housing Successor portfolio was \$15,335 (5% of \$306,692). Therefore, the FY 2019-20 inflation-adjusted limit per HCD for the Housing Successor was \$220,400.
- **Homeless prevention and rapid rehousing services** up to \$250,000 per year if the former Agency did not have any outstanding housing inclusionary or replacement housing production requirements.
- **Affordable housing development** assisting households up to 80 percent of the Area Median Income (“AMI”), subject to specific income and age targets.

Five-Year Income Proportionality: If any Housing Asset Funds are spent on affordable housing development, it triggers a requirement to spend at least 30 percent of such expenses assisting extremely low income households (30% AMI) and no more than 20 percent on low income households (between 60-80% AMI) per five-year compliance period. The first five-year compliance period was January 1, 2014 through June 30, 2019 and the second five-year compliance period will be from July 1, 2019 through June 30, 2024.

Note that housing successors must report expenditures by category each year, but compliance with income proportionality limits is measured every five years. For example, a housing successor could spend all its funds in a single year on households earning between 60-80% AMI, as long as it was 20 percent or less of the total expenditures during the five-year compliance period.

Ten-Year Age Proportionality: If more than 50% of the total aggregate number of rental units produced by the City, Housing Successor, or former Agency during the past 10 years are restricted to seniors, the Housing Successor may not spend more Housing Asset Funds on senior rental housing.

Appendix 3 describes Housing Asset Fund expenditure requirements in more detail, including the types of costs eligible in each category.

EXPENDITURE LIMIT COMPLIANCE

The Housing Successor complied with all Housing Asset Fund spending restrictions in FY 2019-20, including income targeting requirements for the five-year compliance period to date:³

- The Housing Successor had no administrative costs and, therefore, did not exceed the maximum amount for FY 2019-20.
- No homeless prevention or rapid rehousing expenses were made in FY 2019-20 and, therefore, the Housing Successor did not exceed the maximum amount.
- No affordable housing development-related expenditures were made, so the five-year compliance period income targets do not apply.

The Housing Successor will ensure it meets all annual expenditure requirements going forward, as well as for the ongoing current five-year compliance period of July 1, 2019 through June 30, 2024. Failure to comply with the extremely low income requirement in any five-year compliance period will result in the Housing Successor having to ensure that 50 percent of remaining funds be spent on extremely low income rental units until in compliance. Exceeding the expenditure limit for low households earning between 60-80% AMI in any five-year reporting period will result in the Housing Successor not being able to expend any funds on these income categories until in compliance.

SENIOR RENTAL HOUSING LIMIT COMPLIANCE

The Housing Successor complies with the limit allowing no more than 50 percent of the total aggregate number of rental units produced within the preceding ten years to be restricted to seniors. Over the last decade, 40 affordable units were constructed. The Gateway Project was developed in 2016 and included 30 senior units (75%) and 10 non-senior units (25%). The number of senior restricted units from the

³ The Housing Asset Fund figures in this Annual Report are based on unaudited numbers that were available at the time this report was prepared. They might vary slightly from audited numbers once the City's annual audit is complete.

Gateway Project places the Housing Successor over the 50 percent limit. As a result, the Housing Successor may not spend Housing Asset Funds on senior rental housing until it meets this requirement.

No other affordable housing developments have been built in the last 10 years. There are currently two affordable housing projects in the pipeline, but construction has not started as of FY 2019-20. These projects will be reported on in future reports as they are completed, and the Housing Successor will ensure compliance with this provision.

DEPOSITS AND FUND BALANCE

The Housing Successor deposited \$13,070 into the Housing Asset Fund during FY 2019-20.

The revenue source for the Housing Successor is the sale of the 626 McClain Street property and an interest payment from the San Joaquin Vista Apartments. The 626 McClain Street property revenue was associated with a conditional grant valued originally at \$7,500. The grants are forgiven if the owner remains the owner for 30 years or resells the property to another low-income buyer. 626 McClain Street was sold but not to a low-income buyer and, therefore, the remaining grant amount in the amount of \$3,750 became due to the Housing Successor. The Housing Asset Fund cash balance as of June 30, 2020 was \$443,363 as summarized in Table 1.

EXCESS SURPLUS

The Housing Asset Fund may not accumulate an “excess surplus”, which is an unencumbered amount that exceeds the greater of \$1 million or the sum of deposits in the prior four fiscal years. This requirement ensures that housing successors are actively spending available Housing Asset Funds on affordable housing.

The Housing Successor did not have an excess surplus as of FY 2019-20, as shown in Table 2.

¹ As of July 1, 2019

The Housing Successor will continue monitoring its deposits and fund balance to avoid an excess surplus. If the Housing Asset Fund has an excess surplus in the future, the excess surplus must be expended or encumbered within the next three fiscal years. If a housing successor fails to comply, it must transfer any excess surplus to HCD within 90 days of the end of the third fiscal year.

TRANSFERS TO OTHER HOUSING SUCCESSORS

There were no transfers to another housing successor entity for a joint project pursuant to HSC Section 34176.1(c)(2).

HOUSING SUCCESSOR PORTFOLIO

PROPERTIES AND DISPOSITION STATUS

At the time of dissolution, the former Agency requested to transfer two real estate parcels and the rental income associated with them – 1238 P Street (APN 008-075-11) and 1264 P Street (APN 008-075-03) located near 13th Street in the City of Firebaugh – to the Housing Successor. The California Department of Finance (“DOF”) objected to these transfers and the former Agency subsequently sold the properties to the Fresno County Housing Authority. The parcels were used to develop the Gateway Project.

HSC Section 34176.1(e) requires all real properties acquired by the Agency prior to February 1, 2012 and transferred to the Housing Successor to be developed pursuant to the requirements detailed in HSC Section 33334.16. All property that falls within these parameters must be developed for affordable housing purposes or sold within five years from the date DOF approved the HAT Form, which would be before September 5, 2017. All Housing Successor properties transferred on the Housing Asset Transfer Form have been developed.

LOANS RECEIVABLE

The Housing Successor Portfolio included two loans receivable transferred from the former Agency as of FY 2019-20. The Portfolio had a value of \$350,000 and is detailed in Table 3.

Asset	Amount
Loans Receivable	
Loan: San Joaquin Development Partnership	\$ 150,000
Loan: Firebaugh San Joaquin Vista Associates	200,000
<i>Subtotal</i>	<i>\$ 350,000</i>
Total Portfolio Value	\$ 350,000

SAN JOAQUIN VISTA APARTMENTS

A loan for \$200,000 was issued on November 16, 2000 to the Firebaugh San Joaquin Vista Associates for the construction of the San Joaquin Vista Apartments, an apartment complex of 47 affordable rental units. Located at 500 P Street in Firebaugh, the San Joaquin Vista Apartments property contains 16 two-

bedroom, 24 three-bedroom, and 8 four-bedroom apartments, and is owned by Pacific Communities. As of June 30, 2020, the outstanding loan balance was \$200,000.

SAN JOAQUIN VILLAS

The San Joaquin Development Partnership received a loan for \$150,000 and was awarded a \$240,000 grant on May 5, 2008. The loan and grant were transferred to the Housing Successor to develop and operate the San Joaquin Villas. The San Joaquin Villas is a for-sale project providing 10 units of much needed affordable housing. The program's goal is to introduce a new paradigm for affordable housing in the Central Valley. These Cottage-style, single-family detached units are targeted to first-time homebuyers who are at extremely low-income levels of the area median income (30% of AMI). All homes are two stories with three bedrooms, two full bathrooms, and solar power systems. As of June 30, 2020, the loan balance remained at \$150,000.

HOMEOWNERSHIP ASSISTED UNITS

The Housing Successor received 124 affordability covenants. These covenants, recorded with the Fresno County Recorder, assure their respective property meets affordability requirements and remains affordable for 30 years. The covenants were received in exchange for conditional grants given by the Agency, which have a statutory value of \$7,500 each, and were also transferred to the Housing Successor. Two of the covenants and grants have since been terminated; the combined value of the remaining 122 grants was \$915,000. The grant associated with the 626 McClain Street covenant was partially repaid in FY 19-20. A total of \$7,000 has been repaid to the Housing Successor from the two covenants that have been terminated. The Housing Successor has not contracted with anyone to manage the assisted units because the units are all single-family homes.

Descriptions of the homeowner assisted units are below:

CERCA DEL RIO III COVENANTS

The Housing Successor received thirty-nine (39) 30-year affordability covenants, each associated with a \$7,500 grant, for the development of a subdivision called Cerca Del Rio III. One covenant associated with the property located at 626 McClain Street has been terminated due to the owner selling the property to a non-income eligible buyer. The properties are single-family homes identified as "Lots 1 through 39 of Tract no. 5202, per the map thereof recorded in Book 68, pages 70 and 71 of Maps, in the Fresno County records". The covenant agreements were executed by the former Agency and Lennar Fresno,

Inc. on September 22, 2004 and recorded by the Fresno County Recorder on November 8, 2004. All remaining 38 covenant agreements will expire after November 8, 2034.

DODDERER STREET & KANTOR STREET COVENANTS

The Agency transferred thirty-six (36) 30-year affordability covenants to the Housing Successor, each tied to a \$7,500 grant, for the development of a single-family subdivision tract on Dodderer street. An additional 5 affordability covenants for properties on Kantor street were similarly inherited by the Housing Successor. All 41 covenant agreements were executed by the former Agency on June 15, 2000 and will expire in 2030.

TRACT 4850

The Housing Successor received forty-four (44) 30-year affordability covenants, each associated with a \$7,500 grant, for the development of a single-family subdivision. One covenant associated with the property located at 744 Lowe Court has been terminated due to the owner selling the property to a non-income eligible buyer. The parcels are identified as "Lots 1 through 44 of Tract no. 4850, per the map thereof recorded in Volume 63 pages 8 and 9 of Plans, Fresno County Records." The covenant agreements were executed by the former Agency and CJM Development on December 20, 1999 and recorded by the Fresno County Recorder on February 27, 2001. All remaining 43 covenant agreements will expire after February 27, 2031.

Table 4 presents an inventory of homeownership units assisted by the Housing Successor that require restrictions, covenants, or an adopted program that protects Housing Asset Fund monies.
