## PUBLIC COMMENT

Amanda Fleming introduced Mr. Amnon Shor; Mr. Shor is running for 14th State Senate against Senator Anna Caballero. Mr. Shor an immigrant from Israel moved to the United States in 1980. Mr. Shor as a Rabbi travels the world to help religious institutions in other countries, but raised his family and his business, in the Central Valley for decades over the past 3 years and expressed the country is not the same. As a farmer that had eight acres, water is a necessity but scarce these days. Madera wants to tax farmers, but water is an issue and farmers are ready struggling. Priorities for running this election is protect and provide water for the agriculture industry, support law enforcement and fight crime versus defunding the police and protect the unborn children.

## STAFF REPORTS

- **Fire Chief John Borboa** – last weekend there was multiple vehicle accidents, six lives were lost, it's harvest season more trucks are on the road. Dept. is re-organizing, two individuals, three apparatus engineers, the number one priority to make sure the city is covered at all times. Council asked about concerns of the community regarding the pictures posted on the webpage from accidents scenes. The Fire Dept's webpage is a public website, since we are a volunteer fire department, the site has 76,000 likes/hits, and only received three complaints, FOX News asked to use a photo from our site & attorney's stated pictures posted on the website could be taken/ accessed by anyone passing by, so it's not illegal. Pictures posted from accidents photoshop/cover faces, licenses plates and all other personal information, photos aren't immediately posted and could be seen on 11 o'clock or 10 O'clock news.
- **City Engineer, Mario Gouveia** – 8<sup>th</sup> and 9<sup>th</sup> alley improvements go out to bid on Sept. 8 for the slurry seal projects.
- **Police Chief Sal Raygoza** – seen a lot of accidents outside of the city limits, there was an accident in front of Toma-Tek possibly alcohol related, waiting for the toxicology report, citations may be issued to people at schools, officers have been issuing warning to parents violating traffic regulations. The 1<sup>st</sup> football is this Friday, National night was a successful event. West Hills Grand opening will be Sept. 27, 2022 at 3:00 pm.
- **Public Works Director, Michael Molina** – park restrooms at the park are up and operating, hopefully, there isn't anymore issues. The utility and surface alley improvement project will go out to bid Thursday, waterlines replacement, replace gutters & curbs. Problem with Sweeper, the starter went out, got it started, but it stopped because the motor went out, no one wants to work on the CNG Sweeper, we've been working on it every day. Council Member Valdez asked how much it will cost to get our mechanic certified to work on it, it might be the best option. Council Member Sablan asked for restrooms hours, staff replied 7 am to 10 pm every day.
- **Acct. Tech Olga Flores** – We've had personnel helping individuals with outstanding utility bills, we have received checks for payments through the programs being offered. We had people on payment plans, any extra payment goes directly to the balance, no late fees are being charged.
- **City Manager, Ben Gallegos** – Council Member Sablan and I attended a reception, working on grants, working with staff to get more information.
- **Council Member Lopez** - nothing to report
- **Council Member Sablan** – nothing to report
- **Council Member Valdez** – asked legal presentation to attend council meeting, asked for Attorney's evaluation under closed session at next meeting.

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FIREBAUGH AUTHORIZING USE OF EMERGENCY REMOTE TELECONFERENCING PROVISIONS**

**WHEREAS**, the City Council of the City of Firebaugh ("City Council") is committed to open and transparent government, and full compliance with the Ralph M. Brown Act ("Brown Act"); and

**WHEREAS**, the Brown Act generally requires that a public agency take certain actions in order to use teleconferencing to attend a public meeting virtually; and

**WHEREAS**, the City Council recognizes that a local emergency persists due to the worldwide COVID-19 pandemic; and

**WHEREAS**, the California Legislature has recognized the ongoing state of emergency due to the COVID-19 pandemic and has responded by creating an additional means for public meetings to be held via teleconference (inclusive of internet-based virtual meetings); and

**WHEREAS**, on September 16, 2021, the California legislature passed Assembly Bill ("AB") 361, which amends Government Code, section 54953 and permits a local agency to use teleconferencing to conduct its meetings in any of the following circumstances: (A) the legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; (B) the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or (C) the legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

**WHEREAS**, in order for the City Council to use teleconferencing as allowed by AB 361 after October 1, 2021, it must first adopt findings in a Resolution, allowing the City Council to conduct teleconferenced meetings for a period of thirty (30) days; and

**WHEREAS**, if the state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference under 361, the City Council shall make findings in a Resolution every thirty (30) days regarding the current state of the emergency.

**WHEREAS**, Governor Gavin Newsom declared a state of emergency for the State of California due to the COVID-19 pandemic in his order entitled "Proclamation of a State of Emergency," signed March 4, 2020; and

**WHEREAS**, the California Occupational and Safety Health Administration (CalOSHA) continues to recommend certain social distancing requirements, as described in detail in California Code of Regulations Title 8, section 3205 COVID Prevention; and

**WHEREAS**, the California Department of Public Health continues to recommend isolation, quarantine, and other social distancing measures for the general public to prevent the spread of COVID-19; and

**WHEREAS**, on October 4, 2021, the City Council adopted Resolution No. 21-42 that found that the state and local emergencies have caused and will continue to cause imminent risks to the health or safety of attendees of City Council meetings; and

**WHEREAS**, on August 15, 2022, the City Council last reviewed and renewed the findings in Resolution No. 22-38 as required by AB 361; and

**WHEREAS**, this Resolution is being brought at a regular City Council meeting in substantial compliance with the timeline for renewal of said findings under AB 361; and

**WHEREAS**, the City Council is conducting its meetings through the use of telephonic and internet-based services so that members of the public may safely observe and participate in meetings and offer public comment.

4. The actions taken by the City Council through this Resolution may be applied to all City Boards and committees governed by the Brown Act unless otherwise desired by that Body.
5. The City Council authorizes the City Manager or their designee(s) to take all actions necessary to conduct City Council meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act, using teleconferencing for a period of thirty (30) days from the adoption of this Resolution after which the City Council will reconsider the circumstances of the state of emergency.

### **25-47.1 Purpose**

The purpose of this chapter is to establish procedures for regulating signs, including the type, size, location and construction standards of signs by zone district. Signs have an obvious impact on the character and quality of the city. As a prominent part of the visual environment, they attract or repel the viewing public, affect the safety of vehicular traffic and their suitability or appropriateness helps to set the tone of the neighborhood. The objectives of this chapter include the following:

- a. To reinforce that the sign should serve primarily to identify the general nature of an establishment or to direct attention to a project, activity, place, person, organization, or enterprise.
- b. As identification devices, signs must not subject the citizens of the Firebaugh to excessive competition for their visual attention. As appropriate identification

devices, signs must harmonize with the building, the neighborhood, and other signs in the area.

- c. The City of Firebaugh intends to encourage the installation of signs that improve the appearance of the property and the neighborhood and to enhance the economic effectiveness of signs.
- d. The provisions in this chapter provide standards to safeguard life, health, property, and public welfare in keeping with the character of the City of Firebaugh by regulating the size, height, structural design, quality of materials, construction location, electrification, illumination and maintenance of all types of signs and sign structures.
- e. The provisions in this section present criteria indicating whether or not signs conform to the above intentions of suitability and safety.

#### **25-47.2 Applicability**

No sign shall be erected, placed, established, painted, created, or maintained in the city which is not in conformance with the standards, procedures, and other requirements of these provisions. All signs erected within the Firebaugh city limits shall be subject to the sign application procedures within these provisions. The regulations in this chapter are in addition to those set forth in the California Building Code, the California Electrical Code and the 1997 Uniform Sign Code, as adopted, and any amendments made thereto by the city, and the nuisance provisions in the Firebaugh Municipal Code.
